Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 1600 on Thursday 20 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Wet and windy tonight.

This Evening and Tonight:
It will be a cloudy night with further outbreaks of rain, heavy at times, especially over Angus. Western Perthshire likely becoming dry towards dawn. Fresh northeasterly winds. Minimum temperature 6 deg C (43 deg F).

Friday:
Mostly cloudy with further rain, most persistent during the morning. Rain will become lighter, patchy in the afternoon with dry spells developing away from East Coast. Cold, fresh northeastery wind. Maximum temperature 10 deg C (50 deg F).

Outlook for Saturday to Monday:
Mainly dry on Saturday and Sunday morning with some sunshine and a few showers. Cloudier with showery rain on Sunday afternoon, clearing Monday morning. Temperatures staying on the cold side.
